## RSA kicks off Super Skater Contest

In conjunction with the RSA's Super Skater Program, the Association is awarding coaches and rinks for the most tests given over a two-month period. The contest started on March 1st and continues through

April 30th for rinks utilizing the ready-made Super Skater Achievement program. Coaches and rinks with the highest test participation will earn a plaque and a \$50 Visa gift card. The deadline to enter is May 10th, with no exceptions. Download entry forms directly from the RSA website at [RollerSkating.com](http://RollerSkating.com).

### WSA Skate with the Pros program expands

The World Skating Association's "Skate with the Pros" program has been unveiled at more than a dozen rinks in the past year, such as the

Orbit Skate Center in Palatine, Ill., Griffin Skate Inn in Griffin, Ga., and Caln Skating Center in Downingtown, Pa. WSA has partnered with Riedell skates to bring

skating. At each of the rinks visited, Riedell presents a pair of skates to a child who has shown ambition and dedication to the sport. "Skate with the Pros" is fun for all ages

the program to rinks that inspire children to become involved in rollersports with a focus on Jams-

and costs little, or nothing for rink owners to host.
